

CURRICULUM VITAE

Willie Ford:

Aged 67, I have built three houses in Brackenridge and lived here for six years.

I am a Chartered Accountant with a wide range of banking and business experience. I have served for many years as a trustee on a School Board and also on a HOA committee in Borrowdale Brook, Harare.

Married to Pippa with four children, I feel that I can contribute to the financial management of the HOA and liaise with PPM in this respect.

Play golf, tennis and bridge and am a big proponent of Brackenridge as the best place to live in Plett.
