View towards Indian Ocean

Brackenridge is set on one of the last great unspoilt tracts of elevated land in Plettenberg Bay. It affords magnificent views of the Indian Ocean to the east, the verdant fairways of the Plettenberg Bay Country Club and the distant Outeniqua Mountains to the west. Only 40% of this great estate will be developed, the remainder to be actively preserved as indigenous coastal fynbos. Whilst close to unspoilt Robberg beach, central beach and every possible facility, Brackenridge retains an exclusivity and detachment from the everyday. Secure your stand today.
